OPTIONAL MORNING CLASSES

8am-12pm - Make an 11 inch Cloth Doll w/Tina Hatem (limited to 20 students)
Fee: \$50

We all attend the Philly Doll and Bear Show to admire and appreciate handmade dolls and bears. Why not make your own handmade doll? In this class we will be making an 11 inch cloth doll. Participants will stuff pre-made dolls and hand sew seams to make joints. Next, we will be attaching the hair and applying a face to the doll. Wigs will be available in various traditional and non-traditional colors. Faces can be sewn or drawn on. Simple pre-made dresses will be available to decorate and embellish to suit your taste. No two dolls will be alike! Making a cloth doll can even be fun for teddy bear enthusiasts! This class is appropriate for crafters and sewers of all levels, novice to very experienced. All materials and supplies will be provided but those who wish to bring their own sewing needles, pins or scissors are welcome to do so. The artist can be contacted at jarv@mail.com with questions.
